SIR:

**ATTN: OFFICIAL DRAFTSPERSON**

**TRANSMITTAL OF FORMAL DRAWINGS**

In response to the Notice of Allowability mailed 06/16/2004, applicant submits

herewith for approval a new set of nine (9) sheets of formal drawings to be substituted for the previously filed five (5) drawing sheets of record. The drawings are now depicted on 9 sheets as Figs. 3A and 3B are each depicted on a separate sheet while informal Figs. 3A and 3B were depicted together on a single sheet. Further, Figs 4A, 4B, 4C and 4D are each depicted on separate sheets while informal Figs. 4A, 4B, 4C and 4D were depicted on a total of 2 sheets. Also, Figs. 5A and 5B are each depicted on separate sheets while informal Figs. 5A and 5B were depicted together on a single sheet; no new figures have been added.

It is noted that the Notice of Allowability indicates that the drawings filed with the application on November 20, 2001 are acceptable, and the undersigned attorney has never received a Notice of Draftsperson's Patent Drawing Review in this matter. As the drawings filed with the application on November 20, 2001 were hand-drawn, not numbered with consecutive page numbers, etc., a requirement for formal drawings was expected.

Although not specifically required by the Notice of Allowability, Applicant submits the enclosed formal drawings in order to satisfy the ordinary requirements of 37 CFR 1.84. Any changes made to the drawings were made only to comply with the physical requirements of 37 CFR 1.84, i.e. margins, scale, shading, etc.

Consideration and entry of these formal drawings is respectfully requested.

Respectfully submitted:
